imagePROGRAF TM-5240 | TM-5340

JustPerfect.

Boundless Versatility Made Affordable

The brand new **imagePROGRAF** 36" **TM-5340** and 24" **TM-5240** large format printers provide scalability alongside affordability in small home office printing for photos, CAD drawings and other multi-application prints. Discover greater versatility as well as accessibility in delivering quality prints ideal for your business requirements.

Versatile and Affordable High-Quality Printing

Designed to provide affordable and quality results for a wide range of printing applications, the new **imagePROGRAF** 36" **TM-5340** and 24" **TM-5240** large format printers help to meet the requirements of engineering firms with versatility in cost and printing.

Swift Speeds for Greater Productivity

The new **L-COA PRO II high-speed imaging processing chip** provides enhanced data processing power for the TM-5240 and TM-5340, enabling faster turnaround times from sleep mode as well as continuous printing for greater productivity overall.

Print Speed Conventional printers TM-5240/TM-5340 More than 30% faster* *Based on Canon internal testing using plain paper with continuous printing of A1 page per min

Enhancing Details Through Vivid Red

The **new magenta ink** helps to deliver a vivid red that highlights important details on photos, posters as well as CAD drawings with greater clarity.

Effortless User Operation

Streamlining Workflows with Intuitiveness

Experience greater printing convenience with software applications designed to streamline the management of workflows.

Free Layout Plus

Free Layout Plus allows files to be dragged and dropped into the application for the **easy resizing of documents to fit specific paper layouts** before printing.

PosterArtist

Accounting Manager

Monitor print usage with greater ease through Accounting Manager.

PosterArtist

The **PosterArtist** application offers effortless creation of **vibrant and visually appealing posters**.

Check it out at https://posterartist.canon

Quality with Affordability

Enjoy affordable and high-quality printing with **55ml small capacity ink tanks** best suited for the needs of small businesses or startups.

Direct Print Plus

Print **PDF or JPEG files in batches** effortlessly with custom templates by using **Direct Print Plus**.

Enhanced Scanning Capabilities

The TM-5240 and TM-5340 can be utilised alongside a scanner with enhanced capabilities that improve scanning productivity and operability by offering a maximum paper thickness of 0.8mm as well as featuring new transparent guides.

TM-5240 Lm24 Scanner

Specifications are subject to change without notice.

*1 User adjustments required. Printing environment and media must match those used for the adjustments. Paper required: Plain paper and coated paper only.

*2 USB Thumb drive printing is not supported.

*3 IEEE802.1X (EAP-TLS/EAP-TTLS/PEAP) Supported.

*4 Time taken to print one page does not include time required for data.

 $^{\ast_{5}}$ Varies according to the OS and application.

*6 Include roll holder set.

*7 Acoustic Power and Pressure are measured using ISO 7779 standard.
