

## Canon imageFORMULA DR-S150

### Outstanding Workgroup Scanner

The Canon imageFORMULA DR-S150, which has claimed the BLI Summer 2020 Pick award for Outstanding Workgroup Scanner, offers...

- Fastest multipage scan speeds in its competitive group
- Automated document-capture capabilities and support for 99 single-touch scanning buttons to streamline and standardize frequently recurring scanning chores
- An easy user experience through a colour touchscreen
- Seamless integration with popular business software and cloud services

The Canon imageFORMULA DR-S150 is the ideal scanner for workgroups looking to digitize paper-based processes. The device integrates seamlessly into popular business applications and cloud services, enabling users to work within digital repositories and automated workflows. Meanwhile, WiFi, Ethernet, and USB connections give users the flexibility to use the scanner with desktop computers, smartphones, and tablets.

"The Canon imageFORMULA SR-150 allows companies to extend business process automation to the point of capture," said Lee Davis, Associate Director of Software/Scanners at Keypoint Intelligence. "Users can create and save up to 99 single-touch scanning profiles, which can be accessed through the colour touchscreen, to kick off entire workflows with the press of a button. Scanner, image enhancement, data extraction, file naming, and routing can be applied automatically, which accelerates processes while eliminating mistakes."

## About Keypoint Intelligence - Buyers Lab

---

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled services and unmatched depth of knowledge, we cut through the noise of data to offer clients the independent insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. Buyers Lab evolves in tandem with the ever-changing landscape of document imaging solutions, constantly updating our methods, expanding our offerings, and tracking cutting-edge developments.

## About Buyers Lab Pick Awards

---

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
